*Price may vary based on Quantity, customization and availability of raw materials.

- Once the PO generated it requires 30 days for the first time. Next time onwards the duration will get reduced.
- For customization, customer needs to provide the image of the product and the dimension of that.
- Actual product may differ slightly as shown in the catalogue as it is purely hand crafted.
- Packaging and transportation need to take care by customer. Desimati will guide you for the same.
